

# Turkey

Türkiye'nin şarap üretimi dünyadaki en eski ve aralıksız devam eden kültürlerden biridir. Türkiye'nin sahip olduğu iklim çeşitliliği, toprakların, üzüm bağlarının zenginliği ve şarap üretimindeki tarihi ile kâbul görmüş bir kaliteye sahiptir ve yılda binden fazla üzüm türü yetiştirilmektedir.

Yerli çeşitleriyle canlı ve kıtır beyazlardan Narince, aromalı muskat yada doldun ve etkili Öküzgözü ve yoğun yapıda olan Boğazkere'yi içeren yoğun kırmızular Türkiye'nin uluslararası alanda tanınmış ve ödül almış üzüm çeşitleridir.

Türkiye'nin ege kıyıları, hem Roma hem de Yunan mitolojisinde Bacchus olarak bilinen şarap tanrısı Dionysus tarafından kutsanmıştı. Dionysus, Marmara denizi boyunca yer alan ve Türkiye'deki şarap üretiminin yaklaşık %40'ını oluşturan Trakya, Çal'da doğmuş ve yaşamını burada sürdürmüştür. Şarap tanrısı olur ve şarap içmenin sosyal ve faydalı etkilerini temsil eden üzüm ağacı sembolü ile tekrar dirilir.

Türk şarabı, Dionysus tarafından gezegende bulunan ilk saraptır ve her geçen yıl daha da büyüyerek daha prestij kazanmakta ve üretim oranları da artmaktadır.

The culture of wine making in Turkey is one of the oldest and the most continuous in the world. With its wealth of climates, soils, vines and history of wine production, Turkey clearly has the quality and grows annually more than 1,000 types of grapes.

Indigenous varieties such as the Crispy, white Narince, the fragrant Muskat or bold reds including the firmly structured Bogazkere and the punchier, meatier Okuzgozu are Turkey's local varieties which are recognised and awarded internationally

The Aegan coast of Turkey was blessed by Dionysus, the god of wine, who is being known as Bacchus in both Roman and Greek myths. He borned and lived in Thracia, Çal, along the sea of Marmara which accounts for nearly 40% of Turkey's wine production. He dies and borns again with his symbol grape tree, representing wine drinking effect, social and benefecial effects

Turkish wine was the first wine existing in the planet by Dionysus, it is growing year by year, gaining more prestige and the productions rate is also increasing.
